ENTREPRENEURSHIP & MARKETING

10th and 11th graders - KCTC is hosting two open houses on February 7 and 8 from 5-7 pm. Students and families are welcome to attend on one of these nights and tour the whole campus, meet instructors, and learn about everything The Tech Center has to offer. This will count as a “visit” on your application, so we highly recommend that you go if you haven't done a visit during the school day. You could also use this opportunity to visit different programs if you have further interests.
