Semester 1 final exams are this week. Hours 4-6 are on Thursday while hours 1-3 are on Friday. Both days are early release days with school dismissing at 11:15.

Tomorrow, Holiday Spirit week continues! It is holiday hat and sock day!

There will be a meeting for anyone interested in boys golf for the spring season tomorrow during flex. Please sign up for panther meetings in flex.

Attention All Students! Please take a moment to check your schedule for next semester. If you have questions, now is the time to contact your counselor. Schedule changes, if necessary, need to be made before the break as we do NOT have a drop/add period in the second semester. In many cases, schedule issues can be handled by email, so please start there. Priority is given to students who do not have a full schedule and seniors who need a graduation requirement. (12/16)
