

Good Morning Mill Creek, it is Wednesday, August 21st!

If you missed the informational meeting for volleyball yesterday, we have information here in the office. Please pick it up during passing time or after school.

Students, just a reminder that backpacks, bags and purses should be kept in your locker at all times. They should not be brought into the classroom.

If you are interested in Mill Creek's Boy and Girls Club, there is a sign up sheet outside of Mrs. Hill's room, room 125. Boys meet every Wednesday during advisory and girls meet every Wednesday during lunch period in Mrs. Hill's room.

The Boys and Girls club is a positive place to learn about teamwork, handling conflicts, cool projects, building character and much more. Groups will start next week Wednesday, August 28th, so please remember to sign up.

Thank you and let's make tomorrow even better!
