

Hello Mill Creek, it is Wednesday, August 28th!

Students, a reminder that hoods and hats are not allowed on your head during the school day. If it is during school hours, your hood should be down off of your head, and hats should be stored in lockers

If you are interested in Mill Creek's Boy and Girls Club, there is a sign up sheet outside of Mrs. Hill's room, room 125. Boys meet every Wednesday during advisory and girls meet every Wednesday during lunch period in Mrs. Hill's room. The Boys and Girls club is a positive place to learn about teamwork, handling conflicts, cool projects, building character and much more. Groups will start TODAY, August 28th, so please remember to sign up.

The Comstock Park PTO is selling headbands! There are two styles, and they are \$10 each. Please look in the Panther's Google Classroom for more information. There is also an information sheet in the office.

Students, just a reminder that backpacks, bags and purses should be kept in your locker at all times. They should not be brought into the classroom.

Thank you and let's make tomorrow even better!
